Dear Mr. Ravnitzky:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2017-001099), dated June 1, 2017, in which you requested the following:

“A copy of the records GSA produces that indicates the most recent square foot per person metric for each federal agency, as part of the Presidential Management Agenda (PMA).”

Enclosed please find the following documents that are responsive to your request:

1. *The fiscal year (FY) 2016 PMA square feet per person agency metrics - owned*, which provides a side-by-side comparison of agency square foot per person metrics for office space that is federally owned;
2. *The FY 2016 PMA square feet per person agency metrics - leased*, which provides a side-by-side comparison of agency square foot per person metrics for office space that is federally leased; *and*
3. *The FY 2016 PMA square feet per person agency metrics - occupancy agreement*, which provides a side-by-side comparison of agency square foot per person metrics for office space that agencies use through an occupancy agreement with GSA.

The PMA tracks square foot per person metrics separately for owned, leased and occupancy agreement office space. Many agencies do not occupy space in all three categories. Therefore, the number of agencies represented and the corresponding metrics in each of the enclosures will vary.

This completes our action on this FOIA request. Should you have any questions concerning this matter, please feel free to contact Ms. Stephanie Klodzen, Real Property Policy Division, Office of Government-wide Policy, on 202-501-1376, or by email at stephanie.klodzen@gsa.gov. You may also contact the GSA FOIA Public Liaison, Ms. Audrey Brooks, at 202-205-5912 or by email at audrey.brooks@gsa.gov for any additional assistance and to discuss any aspect of your FOIA request.

Sincerely,

Travis S. Lewis
